

WINTER ACTIVITIES DAY

Outdoor pictures taken by Austin Anderson.

Inside:
Important
dates to
remember!!!

On Wednesday, December 23, we took the time to celebrate school spirit by holding our 6th Annual "Winter Activities Day". Students and staff enjoyed the fall awards ceremony followed by activities such as a sing along, talent show, a hike, football, board games, etc. Thank you to the staff who worked hard organizing the activities.

A Note From the Principal

Dear Parents,

As we approach the mid point of the year it is going to become very important that you keep lines of communication open with your student's teachers. You should have received two progress reports and a report card. If you have not received them please contact us for replacements.

With the cold weather upon us I see many students coming to school daily unprepared to deal with the cold. Coats and warmer clothing would be appropriate.

This is a very rough stretch of the school year please help us keep your child on track. Attendance and keeping up with assignments is very important.

HAPPY NEW YEAR,

Michael Satterlee
Principal

You may use the form below to order a yearbook. Please send the order form and cash or a check made out to "Knox Yearbook" in to the main office.

Yearbook Order Form

***Thank You Knox PTSA
& Families***

Thank you for our lovely, delicious treats
over the holidays. They were much
appreciated and enjoyed by the staff!

The Knox PTSA has helped to make a brighter holiday for thirteen Knox students and siblings. This could not have been done without the very generous contributions of money, wrapping supplies and time donated by Knox PTSA officers, staff, parents, the Johnstown Fire Fighters, the Life Necessities Christian Center and the Johnstown community at large. The staff in charge of the program this year would like to recognize the incredible outpouring of support from our community. In tough economic times like these, it is nice to know that people still make sure to help others in need.
